

# Better Oral Health for Massachusetts Coalition

## Did you know that:

Only 49% of the 289 Massachusetts communities with a public water supply are fluoridated, giving us a rank of 36th among all states?\*

Among Massachusetts' seniors living in long-term care facilities, 59% were found to have untreated decay?\*

More than a third of Massachusetts Head Start children between the ages of three and five have experienced dental decay?\*

***We are working to  
change those facts.***

Join the Better Oral Health for Massachusetts Coalition as we celebrate the release of our:

## ***Oral Health Plan for Massachusetts***

**Date and Time:** Monday, April 12, 2010 from 10:45 a.m. to 12 p.m.

**Venue:** Hearing Room 222  
Massachusetts State House  
24 Beacon Street  
Boston, MA 02108

Representative John Scibak and Senator Harriette Chandler (co-chairs of the Oral Health Caucus) and Senator Gale Candaras (chair of the Joint Committee on Children, Families and Persons with Disabilities) will host and speak at the plan release event.
